

# Essentials for Calling 911

Sports Medicine Concepts

## Stay Calm!

**Location of the emergency**

**Phone number you are calling from**

**Wait for the call-taker to ask questions, then answer clearly and calmly**

**Is the victim:**

- Alert
  - Breathing
  - Bleeding
  - In significant pain
- Has CPR been initiated?**  
**Has an AED been applied?**

**Meet EMS & unlock gates and entrances**
