

What to do in case of a motor vehicle accident.

- Call the police from the accident scene.
- Turn on hazard lights and place flares, if you have them.
- Take photographs of the scene and the vehicles involved as soon as possible, before the vehicles are moved from their final resting positions.
- If possible, do not move vehicles until police arrive.
- Do NOT admit fault to any other person involved, or to the police.
- Maintain your composure when speaking to others, and to the police.
- Always carry your driver's license on your person, and keep registration documents and insurance card in your car.
- Write down:
 - ▶ the location and time of accident.
 - ▶ complete contact details, license plate numbers, and insurance information of the other drivers involved in the accident.
 - ▶ make, model and color of each vehicle.
 - ▶ location of damage on each vehicle.
 - ▶ number of occupants in each vehicle, including their names.
 - ▶ complete contact details of all witnesses.
- If your vehicle requires towing, arrange to have it moved to a free storage location and get a receipt. Founders is not responsible for excessive storage charges.
- Contact your insurance agent by telephone or in person, AND contact Founders Insurance Company at **(888) 676-4342**, claims@foundersinsurance.com, or www.foundersinsurance.com
- Cooperate with your Founders' adjuster by providing multiple ways to reach you and completing forms and returning calls promptly.
